Dear Mr. Dodson:

In a letter dated September 29, 2011, your consultant, MWH, submitted plans for pilot testing activities at the Peoples Natural Gas site in Dubuque, Iowa, as part of the proposed hydraulic containment system. These plans have been reviewed and are approved as presented. As the dates for this field work are firmed up please let me know of your plans.

If you have questions regarding this or any other issue pertaining to this site, don't hesitate to contact me at (913) 551-7746 or by email at engeman.diana@epa.gov.

Sincerely,

Diana L. Engeman
